PRESIDENT'S MESSAGE

Since 1992, The Rotary Club of Smith Mountain Lake has improved lives in our community, nationally, and globally.

Our five founding members began this commitment by constructing the playground at SML Community Park, and we all feel a duty to help people in the Smith Mountain Lake area thrive. We pursue this goal with community projects and annual events such as scholarships, teacher recognition, and grants to other service organizations.

Herein we highlight the resulting impact to this community. Thank you for believing in the SML Rotary Club, and for supporting the Rotary ideal of “Service Above Self”.

Phillip Green

President, SML Rotary Club, 2026-2027

ROTARY INTERNATIONAL

Rotary is a global network of more than 1.2 million neighbors, friends, leaders and problem solvers with a vision of people taking action to create lasting change across the globe, in our communities, and in ourselves.

The 45,000 clubs across 200 nations work together with a mission to provide service to others, promote integrity, and advance world understanding, goodwill and peace through fellowship of business, professional and community leaders.

Priorities include:

- Promoting Peace
- Fighting Disease
- Supporting education
- Providing clean water, sanitation, and hygiene
- Saving mothers and children
- Growing local economies
- Protecting the environment

Rotary is known for the high ethical standards followed for all our charitable work. This is reflected in the Four-Way Test, a code written in 1932 for people to follow in their relations with others, and in their professional and charitable dealings.

PAST CLUB ACTIVITIES AND GRANTS

The club has served our community since 1992. Approximately 90% of our financial and service support goes to the local Franklin and Bedford county areas surrounding the lake. We have established a club 501(c)(3) tax exempt Foundation for business and individual donations.
